A group of six skiers is seated on a white chairlift, suspended from a thick black cable. They are positioned in the center of the frame, looking towards the camera. The skiers are wearing various winter gear, including helmets, goggles, and brightly colored jackets in shades of green, orange, and black. Below them, a vast, snow-covered mountain slope descends into a dense cluster of buildings, likely a ski resort town. The buildings are mostly multi-story structures with light-colored facades and dark roofs, some with balconies. The sky is a clear, bright blue with a few wispy clouds. The overall scene is bright and sunny, suggesting a clear day in winter.
